| <b>Item Descriptions:</b>                           | Single lever basin mixer<br>without pop-up waste                                                  |
| <b>Model:</b>                                       | CONUM                                                                                             |
| <b>Article No.</b>                                  | TVW127005000K5                                                                                    |
| <b>Material:</b>                                    | Brass                                                                                             |
| <b>Brand:</b>                                       | Villeroy & Boch                                                                                   |
| <b>Finish:</b>                                      |                                                                                                   |
| <b>Note:</b> The colour / finish may vary on actual |                                                                                                   |
|                                                     | Matt Black_K5  |

### Specifications:

**SCOPE DELIVERY:** 1 x tap fitting , 1 x aerator key  
1 x fastening 2 x connecting hoses 1 x installation instructions

**AQUA SMART:** Sustainable, limited water flow: saving water  
without sacrificing on performance

**AQUA SMART:** Sustainable, limited water flow: saving water  
without sacrificing on performance

**TAP SMARTPRESSURE:** Constant water flow rate for  
washbasin mixers regardless of pressure fluctuations in the  
piping systemn

Max flow rate at 3 bar 4.3 l/min

Length: 215 mm  
Width: 49 mm  
Height: 278 mm  
Weight: 2.38 kg
